GI[♥]ING TUESDAY

A heartfelt thank you!

Giving Tuesday Announcement

We reached our goal and then some!

Thanks to the incredible generosity we received on Tuesday, Four Tides is delighted to announce that we achieved even more than we dreamed was possible: we raised over \$47,000!!

We are so grateful to each and every person who helped to make this happen, and whose support means that we can continue to work towards our vision for a community where all people are accompanied and supported on their end-of-life or bereavement journey.

With heartfelt thanks,

The Four Tides Hospice Team

“The cause of our ultimate passing isn't as important as not facing the most difficult moments of our lives alone.”

Susan Dawkins, Donor

A message from one of our amazing Giving Tuesday supporters, Susan Dawkins

Susan stepped forward with the offer to match donations on Giving Tuesday up to \$5000 - an incredible act of generosity that inspired many other to give on the day. Here's what she says about why it was important to her to do this.

I am a recently retired, 3rd generation healthcare professional. My paternal grandfather, uncle, mother, father, sister and myself have all been involved in the diagnosis of disease. Sometimes that's not enough.

As life's end comes closer to us all, the cause of our ultimate passing isn't as important as not facing the most difficult moments of our lives alone. The touch and caring of those that volunteer with Four Tides Hospice Society uphold that worthy cause. Something that many of us may not be capable of.

Over the past 18 months, both of my parents passed within the MAiD program, while utilizing some element of hospice in their last

weeks of life. My parents, Margaret & Tony Dawkins, instilled in me a desire to help others and, when possible, to ease their pain.

Through this desire, I offered to sponsor a matching donation fundraiser to maximize the good works provided by our local Four Tides Hospice Society.

I sincerely thank all those that have donated, and celebrate the generosity of our qathet Regional District community in assisting the local hospice to realize their standalone facility.

Many thanks to all of you,

Susan
